PLEASE READ BEFORE EVERY SHOT

You are the bomb, yes we're talking to you. If you've never been called the bomb before then you are now Mr. or Mrs. Bomb. Your ball is a hole seeking missile, you don't just hit fairways, you own them.

When you're on the course, bunkers get lonely and the rough may as well be the Arctic - you've never been there and you have no plans to visit. You have more birds than a pet shop, you're middle name is 'in the hole'.

Now, go get 'em champ.
